

Professional Learning

Numero[®] is more than just a card game. It is designed for students of all ages and suitable for players from Kindy to Year 12. A focussed Numero[®] program can significantly boost children's mental maths abilities, help improve achievement in mental computation testing and encourage tactical 'outside the box' thinking.

Teacher Professional Learning **90mins** | \$330*

Organise a workshop for your next staff meeting or PL day. We will teach you the game and demonstrate how fluency, reasoning and problem-solving will all improve after introducing Numero[®] to your classrooms.

Student Workshop **90mins** | \$330*

Tailor a Numero[®] workshop to suit your school's requirements. Available for class groups of up to 30 students and 2 staff members, with guidance on implementation into your school plan.

Parent Workshop **90mins** | \$330*

Plan a Numero[®] workshop for parents/guardians so they can play Numero[®] with their children at home. A great way to reinforce Numero[®] rules, processes and strategies to support their child's learning.

Half-Day Plan **3 Hours** | \$660*

Schedule two customised student workshops, each 90 minutes. This allows for up to 60 students and 4 staff members to learn the game. Allows more opportunity for implementation questions and guidance.

*All Prices Include GST

With every full-day plan booked, get a **FREE** teacher or parent workshop on the same day.

Full-Day Plan **Full-Day** | \$935*

Implement a full day of Numero[®], with three customised student workshops for up to 90 students and 6 staff members. A full-day booking allows time for staff and school feedback on all that Numero[®] has to offer.

Play Numero[®] on your device. **Download the app today!**

Regional, Remote or outside WA?

The prices on this flyer are for the Perth metro area, however Numero[®] loves to travel! Get in touch directly to see how we can help you out with a regional visit, or if necessary an online presentation.
